Foreword

The seven years during which this directory has been published has demonstrated its usefulness in the parish. We therefore need to offer no apology for its publication this year.

It is not the purpose of the directory to give statistics, except the names and addresses of the members of the parish, nor to say anything about the progress of its work. That is provided for in Church Progress, which is published each month. We believe the directory of services, members and official organization of the parish may be useful for many purposes and on many occasions. With that in view we are sending it out, and commend it to your attention.

Sincerely your Friend and Rector,

Edward James McHenry.

RECTORY OF CHURCH OF THE HOLY COMFORTER

Our Material Needs

1. A new Church.
2. A Parish House
3. More contributions to Parish expenses and Missions and other purposes through the Duplex Envelopes. If you have been neglected in the distribution of the envelopes please ask the Rector to supply you.

Spiritual

1. Frequent attendance upon the Holy Communion, a clear knowledge of what this sacrament means, a definite Intention in receiving and a living Faith to enable us to receive the full benefits that Christ has promised.
2. The habit of Prayer, both personal and intercessory.
3. The habit of regular reading of Holy Scripture, "which contains all things necessary to salvation."
4. The habit of regular attendance upon all services.
5. Cordial hospitality to strangers who attend the services.
6. Special prayer for the Rector and the Parish.
7. Membership in one or more of the Parish organizations.
8. Seeking out ways of making our influence felt.
9. Volunteering to the Rector for some work.

Does this list furnish you a clue to some religious duty neglected, or some special thing you feel it your part to undertake.

It is by the united work of the many, not by the spasmodic effort of the few, that the greatest work is accomplished for God in the world

It is by the united prayers of the many that a power is brought together that accomplishes great things for God.

"Think on these things."

Historical Sketch

The Church of the Holy Comforter was organized as a mission by several teachers of the Sunday School of the Church of the Saviour some time in 1867. For a time sessions of the Sunday School were held in the home of Mrs. ~~Blondin.~~ Blundin

On November 14, 1867, the corner-stone of the present stone edifice was laid. It was intended to use this building for chuch purposes until such time as a church could be erected on the corner.

In June, 1868, the Reverend Joseph A. Stone then assistant to the Rector of the Church of the Saviour, was appointed to take carge of the services, as a mission of that church. The first service in the new building was held on the first Sunday in July, 1868.

From its organization, and for many years, Mr. Charles H. Yost, was the efficient and faithful Superintendent of the Sunday School. Under his direction the school fluorished and became strong.

The first confirmation was held by the then Bishop of the Diocese, April 11, 1871, when five persons were presented.

April 14, 1875, a charter was granted to Messrs. Charles H. Yost, John B. Squires, Caleb J. Duxberry, Samuel James, William Kerr and William Wilkinson, as corporators of the Church of the Holy Comforter.

After using the stone structure until about 1877 the Vestry became convinced that a new church building was not then possible. A brick building on the corner was erected for the Sunday School and later a connecting room between church and Sunday School building was constructed by the Brotherhood of St. Andrew for parish meetings.

On Easter day, 1891, the brass altar cross and vases were presentd by the Altar Chapter. At the same time Miss Harbert presented a silver paten. On Whitsunday Miss Harbert and friends added a silver chalice. On Trinity Sunday a second chalice and wine cruet was presented by the Guild of the Good Sherpherd. The Altar and pulpit with all proper hangings were presented by St. Mary's Church, Hamilton Village. A bread box or pyx was given by Miss Ethel McCarty as a memorial.

While the early history of the Parish was one of success, adverse circumstances soon brought about conditions such as to make it impossible to meet expenses, even with the aid of the convention.

In 1895 a combination was entered into with St. Stephen's Church, located on Tenth Street, below Market, by which this Parish became a mission of that church. Dr. McConnel, the Rector of St. Stephen's, fearing that necessity would arise for removing that church, conceived the idea of using this as a nucleus for future work. With that in view a large lot was secured on the corner of Fifty Second and Market Streets, and plans for a complete set of buildings to be erected made. But the Vestry of St. Stephen's concluding this not to be wise, the project was abandoned.

During this time the Rev. J. J. Lanier was minister in charge, the Rev. Dr. McConnell coming out and preaching every Sunday evening.

Many times it has been considered wise to move the church to some other location, on account of the Asylum for the Insane being on the opposite side of Haverford Avenue. But the only definite effort made was during the rectorship of the Rev. W. F. C. Morsell. Since the Standing Committee of the Diocese did not approve, this was abandoned.

X Pennsylvania Hospital
Delegation for the Insane

Passing from control of the Church of the Saviour to Convocation, then to St. Stephen's, then again to Convocation, and finally to the stewards of the Sustentation Board, this parish received financial assistance until May 1, 1909.

A debt which had hindered the progress of the parish for many years was paid, and the parish declared free on Christmas day, 1903. The Bishop Coadjutor was a substantial contributor to the success of this effort.

From May 1, 1909, until March 11, 1912, the parish was free from debt.

March 11, 1912, the Vestry, with the consent of the Bishop and Standing Committee borrowed $15,000 with which to erect a Rectory, tower and extension to the present Church Building.

April 9, the work of demolition of the brick octagonal Sunday School was begun. The new buildings were started about two weeks after that. They were completed and handed over to the Vestry February 8, 1913.

1868

The Rectors and Ministers in charge have been: ~~1868~~-70, Rev. Joseph A. Stone; 1870-74, Rev. William H. Platt; 1874-84, Rev. Henry Morton Reed; 1884-85, Rev. G. D. E. Mortimer; 1885-87, Rev. E. H. Membership

Insofar as we are able, we present a correct active list of the members of the parish. With few exceptions these are communicants. If there are any errors in either names or addresses, we would consider it a great favor to be notified. If there are any omissions we would appreciate it if our attention should be directed to the fact. Our effort has been to put in this directory every name which legitimately belongs there. If we have failed it is due to oversight.

The arrangement of names suggest the relationship of families. The order is: father, mother and children in order of ages. If the same address is noted there can be no confusion.
